accomplishments

Served as a subject matter expert which led to team-wide process, practices and coding standards being set against personal ones implemented

Grew the talents/skills of other team members by challenging them to do better work & to explore solutions outside of their normal realm of expertise

Solely developed end-to-end applications as a Full-Stack Developer

"Hrishikesh is one of the most valuable members that any team can have. Talented as he is, he is always reliable and someone you can always count on delivering more than what he had been asked for [even] in tight situations…" --Omar K.
